## **DSI and Kinetic by Windstream partner to sell fiber-backed Internet**

DSI and Kinetic by Windstream announce their new partnership to offer dealers the opportunity to sell the ultimate online experience. This collaboration will allow dealers to sell ultra-fast, super-reliable fiber-backed internet directly to consumers. With speeds up to 1 Gbps, you can count on Kinetic to provide the fastest speeds with less downtime. Kinetic adds additional value by offering internet plans that are flexible, including plans with no annual contract and no data caps.

“DSI continues to identify innovative partnerships that enable us to stay at the forefront of consumer trends in the internet industry. This partnership aligns us with a leader that will offer our dealers an amazing growth opportunity for their business.” -- Doug Robison, President and CEO of DSI
